I hereby make application for Registered Builder membership and certify that above statements are true and correct and reference may be made to the persons named above.

I agree to be governed by the Articles of Incorporation, the By-Laws and any other rules, procedures and regulations of the Association, and to promote the objectives of the Association.

I agree that should I wish to withdraw, I will pay all dues and indebtedness due the Association and tender resignation in writing to the Board of Directors.

I further understand that in the event of my certification as a Registered Builder member of the HBAL, I shall be entitled to the full use and benefit of all materials of the Registered Builder program and may under my own name, company name, or corporation name, use the benefits of the Registered Builder membership of the HBAL.

I further understand that the use of any trademark, sign or insignia connected with the Association is a privilege exclusive to members of the Association and should I for any reason resign or no longer be a member of the Association or be suspended from membership, I agree to return any contracts, trademarks, signs or insignias connected with membership in the Association, and further agree not to use said material in any manner whatsoever.

REGISTERED BUILDER AGREEMENT

I further understand and agree that as a condition of my acceptance as a Registered Builder member of the HBAL, I am bound by this agreement to subscribe to the additional conditions below:

- A.** As a Registered Builder who undertakes proposed residential construction I shall, prior to commencement of such construction, provide each customer with a contract that shall be fair and equitable to both parties.
- B.** As a Registered Builder (on new construction) I shall issue to each customer or owner at contract signing, a one-year limited warranty dated from occupancy or closing by the owner – whichever occurs first. This one-year limited warranty shall at least include the provisions set forth in the HBAL Home Owners Limited Warranty. Also, I shall provide to the new homeowner a “How to Care For Your Home” booklet such as provided by the Association.
- C.** As a Registered Builder I agree to be bound by the Code of Ethics and By-Laws of the Association, and agree to conciliate all disputes between myself and the public, in accordance with procedures as set forth in said By-Laws of the Association.
- D.** Should a complaint be made to the Association against me for non-compliance with the foregoing requirements, or, where a controversy exists, the complaint shall be assigned to the Registered Builder Committee for its consideration and recommendations.
- E.** Failure on the part of the Registered Builder to comply with the request or directives of the Registered Builder Committee or the terms of any conciliation agreement signed by a Registered Builder member and the homeowner or any arbitration award made by a commercial arbitration service chosen by the Registered Builder and the homeowner could result in a recommendation to the Board of Directors that said member be suspended or expelled from the Association, thereby depriving the Registered Builder member of the right to represent himself or herself or his or her firm as a Registered Builder member of the Home Builders Association of Louisville.
- F.** I shall, where practical, present my business firms and/or myself to the public as a Registered Builder using the insignia when advertising to identify myself as such, and will use such promotional material as is made available under the Registered Builder program.
- G.** Any member whose membership is expelled from the Home Builders Association of Louisville for any reason, voluntarily or involuntarily, automatically relinquishes rights to the Registered Builder program, its insignias and privileges and I understand that I cannot be considered for membership again under this program for a period of up to five (5) years. Any member, whose membership is expelled from the Home Builders Association due to failure to obtain required education credits, cannot re-apply for membership into the Association for a period of one year from the date that the education credits are complete. I understand that should my Registered Builder membership be suspended or expelled by the Board of Directors, the fact that such action has been taken shall be published in the Louisville Builder magazine. Re-instatement of membership shall also be published in the Louisville Builder magazine.
- H.** In the event the Builder feels aggrieved by a decision of the Registered Builder Committee, such Builder shall have the right to a review of the record by the Board of Directors. A formal request for a review must be filed with the Association within thirty (30) days after the notification of the decision of the Registered Builder Committee. The record shall then be reviewed by the Board of Directors. The Board of Directors may, by a majority vote, take such action including reprimand, suspension or expulsion, as it may deem to be in the best interest of the Association.
- I.** Registered Builders approved after January 1, 1996 must obtain eight (8) credit hours per calendar year of continuing education. Education courses must come from the HBAL curriculum. Registered Builder Committee may approve alternative courses where applicable. Approval must be received from Registered Builder Committee prior to taking classes.

J. Must attend the HBAL orientation and one of local code training courses as provided by HBAL twice per year. Both mandatory sessions must be completed within first year of membership.

In consideration of the promise to comply with the conditions set forth above by the applicant Builder, the Home Builders Association of Louisville shall issue a certificate of qualification and shall assign a certificate number to the applicant Builder.

I certify that I will abide by the By-Laws of the HBAL, Registered Builder Committee policies and Code of Ethics. (Copies are attached.) I further certify that, to the best of my knowledge, all information contained herein is true and accurate.

I understand that I, as an individual, am being approved as the Registered Builder member of the Home Builders Association of Louisville and I further understand that I will be personally responsible to the Association even though I may build or conduct business under the name of a partnership, joint venture, corporation or other entity. If more than one Registered Builder member owns an interest in or is employed by an entity engaged in the construction of houses or other buildings, whenever one of such owners or employees is suspended or expelled or otherwise disciplined by the Board of Directors, the same disciplinary action shall apply to every other such owner or employee of the entity even though such other owner or employee did not participate in the matter resulting in the disciplinary action.
